News and Views: 2016–17 Season – Plate Final and AGM – 26 September 2017

I can happily report that all went mostly to plan at the **AGM and Plate Final** on Tuesday this week, especially once we managed to get into the room when others in there had finished their dinner!

The Plate Final was very entertaining, the result being:

Waters Green Rams	110	69	British Flag
--------------------------	-----	----	--------------

Well done to both teams and many thanks to **Haydn and Alice** for asking the questions along with the **Nags Head** and **Sutton Mutton** for setting them – special mention to **Billy Stubbs** for all his efforts.

AGM-wise, all the various League "officials" are carrying on and you'll see on Tuesday how the Leagues are going to be arranged for this year.

We have lost a couple of teams and have **24 teams** in total now, so we will have **8 teams in each of the A, B and C Leagues.**

Subs remain the same too at **£50 per team**, no increase again this year.

What happens now?

I will now sit down and look like I know what I'm doing (a bit like David Davis does ...) and sort out the fixtures ...

Information packs (fixtures, rules, etc.) can be collected – and the £50 subs paid – from the Weaver next Tuesday 3 October.

I will be there from **6.30pm to 8pm or thereabouts** on that date, hopefully along with Marshall Barnard who will issue the usual receipts etc.

We will then play the first games of the season one week later – **Tuesday 10 October.**

Question Setters

Week 1 questions – i.e. the 10th of October will be done in their entirety by the **Ox-fford.**

Week 2 (17th of October) the Specialist Questions will be set by the **Sutton Mutton** ... and that is as far as we've got so far!

I've got other volunteers for later weeks of the season and all will be revealed by next Tuesday.

I will email of course email everything out once it is done.
